

Hi There. My name is Wendy and I would like for you to know that Tom is a great dog walker. I was so glad that I found Tom, and my dog Cooper, gets so excited when Tom comes for his walks.

Tom loves pets and treats them as if they are his own. He takes great care of my Cooper. In addition, Tom is very reliable and accommodating to schedule changes and will take care of Cooper at a moment's notice.

Since I work, I appreciate Tom's having a back-up pet sitter and walker as well.

It is a relief knowing that I would not have to take time off work if Tom was on vacation or would become ill.

His back-up walker is Nicole, who also is a super nice person. I could not be more pleased with the service these two provide.
